SUMMARY

Air Force veteran, WordPress web developer and Owner of LiteraryWorm, LiteraryWorm AI and Zuleika LLC, building high-performing websites, digital services and AI-powered automations for modern businesses. A background spanning web development and enterprise operations brings a blend of technical precision and business execution. Brands assisted with bug reporting, product and strategy: Brainstorm Force, SEOscribed, Element UI, Codecademy, 1Password, RankMath, Termly, Cuppa AI, WPDeveloper, BNY and 1forone.

EXPERIENCE

Owner — Nov 2026 – Present · Chicago, IL

LiteraryWorm AI — literaryworm.net

- Founded LiteraryWorm AI, an AI publishing dashboard that takes an ebook from idea to a live store listing.
- Built the app with React, TypeScript and Vite on Supabase, deployed on Vercel: ChatGPT and Claude through one guarded Edge Function, Stripe billing, a chapter editor, outlining and EPUB 3 export.
- Planned the product as 1,034 user stories across 17 build phases, tested with Jest, Playwright and axe in CI.

Owner — Oct 2026 – Present · Chicago, IL

LiteraryWorm — literaryworm.com

- Founded LiteraryWorm, a reading and listening app for ebooks and audiobooks with household profiles.
- Designed, built and deployed the product end to end on React, TypeScript, Supabase and Vercel.

Owner | WordPress Web Developer — Jul 2025 – Present · Chicago, IL

Zuleika LLC — zuleikallc.com

- Founded a WordPress web development and digital services agency.
- Assisted 1Password with finding bugs to improve user experience; assisted Cuppa AI with bug reporting and feature roadmap suggestions.
- Consulted RankMath, WPDeveloper and Termly on features, product strategy, offerings and bug reporting.

Founder | JavaScript Web Developer — Nov 2016 – Mar 2018 · Los Angeles, CA

Zuleika, LLC

- Founded a web development services company.
- Created an Amazon clone using the MEAN stack with Algolia, Stripe and Amazon Web Services.
- Consulted by Codecademy for mission direction advice following a $60M investment.

Derivatives Operations Specialist — Oct 2013 – Feb 2016 · Pittsburgh, PA

BNY Mellon

- Reclaimed ~$20M+ a month and saved 3 hours daily with Excel reporting, monitoring and managing client derivative transactions.
- Developed an algorithm and streamlined ~40 morning reports covering 118 clients and 30–50 failed or error transactions daily.
- Verified ~$1.5B+ in daily wires through data manipulation and quality control. Member of employee group PRISM.

Asset Servicing Undergraduate Intern — May 2013 – Aug 2013 · Pittsburgh, PA

BNY Mellon

- Business intelligence, data analysis and market research contributing ~$20M+ in client contract sales; pitched a pricing framework that expanded client revenue by $1M+.
- Supported the financial analysis of a $590M business line.

Engagement Specialist · Boost Mobile Technical Support Representative Dec 2008 – May 2012 · Monroe, LA

Accent Marketing

- Technical support and sales for WeightWatchers and Boost Mobile on Windows and Apple devices; managed Citrix, Qpass and Network Event Board.
- Top salesperson (~$2,577 weekly), “WOW” awards, and featured in the 2009 Boost Mobile newsletter.

Senior Associate · Licensed Insurance Agent Feb 2007 – Feb 2010 · West Monroe, LA

Primerica Financial Services

Aerospace Medical Technician Jul 2001 – Aug 2006

United States Air Force, Pacific Air Forces

- Achieved a 91% Preventive Health Assessment accuracy rate, recognized #1 in Pacific Air Command (Andersen AB, Guam).
- Improved the PIMIR records capture rate from failing to 75% (Osan AB, South Korea); administered DoD software security upgrades (Yokota AB, Japan).
- Honorable discharge · Former Secret Clearance · Former Licensed EMT.
